Doctor Who: The Stealers of Dreams By Steve Lyons

In the far future, the Doctor, Rose and Captain Jack find a world on which fiction has been outlawed. A world where it's a crime to tell stories, a crime to lie, a crime to hope, and a crime to dream. But now somebody is challenging the status quo. A pirate TV station urges people to fight back. And the Doctor wants to help until he sees how easily dreams can turn into nightmares. With one of his companions stalked by shadows and the other committed to an asylum, the Doctor is forced to admit that fiction can be dangerous after all. Though perhaps it is not as deadly as the truth.

Featuring the Ninth Doctor as played by Christopher Eccleston, together with Rose and Captain Jack as played by Billie Piper and John Barrowman in the hit Doctor Who series from BBC Television.

Editorial Review

About the Author

Steve Lyons has written nearly twenty novels, several audio dramas and many short stories, starring characters from the X-Men and Spider-Man to the Tomorrow People and Sapphire & Steel. He has also co-written a number of books about TV shows, including Cuning: The Blackadder Programme Guide and the bestselling Red Dwarf Programme Guide.

His previous Doctor Who work includes the novels Conundrum, The Witch Hunters and The Crooked World, audio dramas The Fires of Vulcan and Colditz, and work for the official Doctor Who Magazine.

He lives in Salford, near Manchester.

Users Review

From reader reviews:

Eleanor Williams:

What do you consider book? It is just for students because they are still students or the idea for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that. You must know how great along with important the book Doctor Who: The Stealers of Dreams. All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Ross Larson:

Information is provisions for anyone to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even restricted. What people must be consider any time those information which is inside the former life are difficult to be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you obtain the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Doctor Who: The Stealers of Dreams as the daily resource information.

Leonard Vega:

A lot of people always spent all their free time to vacation or perhaps go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you wish to try to find a new activity that's look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent the whole day to reading a guide. The book Doctor Who: The Stealers of Dreams it is extremely good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. If

you did not have enough space to bring this book you can buy the actual e-book. You can m0ore easily to read this book from your smart phone. The price is not too costly but this book features high quality.

Macie Austin:

Many people spending their moment by playing outside with friends, fun activity along with family or just watching TV the entire day. You can have new activity to invest your whole day by looking at a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It okay you can have the e-book, having everywhere you want in your Touch screen phone. Like Doctor Who: The Stealers of Dreams which is obtaining the e-book version. So , why not try out this book? Let's view.
