About the Author

ALVIN D. HALL is President of Alvin D. Hall Associates, Inc., a company that designs and conducts training seminars about the investment markets for domestic and international brokerage firms, banks, and regulatory authorities. For more than fifteen years, his engaging lectures have demystified the markets for thousands. A faculty member at the New York Institute of Finance, Hall was the featured presenter on the BBC's widely praised series Alvin Hall's Guide to Successful Investing.

From [AudioFile](#)

Financial audios can involve a healthy dose of technical information, and this program takes this to an extreme by sparing no details about the mechanics of investing. It's a dry but very comprehensive course about all the ways that stocks can be owned and traded, and all the different types of equities, funds and debt instruments. Dividend allocation, types of broker orders, how mutual funds are managed and all types of options are covered in clear language. It's more information than most people will want, but ideal for the beginning investor with interest in these matters. T.W. -- *Copyright © AudioFile, Portland, Maine*

Users Review

From reader reviews:

Frances Feist:

Book is to be different for each grade. Book for children until adult are different content. We all know that that book is very important usually.
