**God's Tsunami: Understanding Israel and End-time Revival** By Peter Tsukahira

God's Tsunami is about biblical prophecy and how its fulfillment is joining the destinies of Israel and the nations of the world. The shock waves from this convergence are generating a spiritual tidal wave of change that is affecting all the Earth. God's Tsunami makes prophetic connections for today's Christian reader, connecting current events in the Middle East with God's goal of end-time revival. This book explains why Israel is a nation again today and how the end-time events predicted by Jesus in Matthew 23 and 24 will take place in the very near future.
