### The Cold War (Cambridge Perspectives in History) By Mike Sewell

An engaging range of period texts and theme books for AS and A Level history. The Cold War was an economic, ideological and political confrontation. There was no single cause, no single driving force and no single factor that brought it to an end. In this incisive and thought-provoking book, Mike Sewell examines the complex historiography surrounding the Cold War as well as the events and issues themselves. Topics include: the origins of the Cold War, the globalisation of the War culminating in the Cuban Missile Crisis, the period of detente which followed, and the end of the Cold War in the 1980s.
