**The Complete Works Of Charles Fort - Large Print Edition (4 Book Set)** By Charles Fort

### **FIRST LARGE PRINT EDITION OF THE COMPLETE WORKS OF CHARLES FORT . . . The Father Of Unexplained Phenomenon.**

Charles Fort was a collector of strange tales which he gleaned from dusty newspapers and out of print scientific journals. He spent over 20 years in public libraries in the UK and later in America where he combed the shelves of the NY Public Library in search of the strange and unknown. This resulted in 4 works of approximately 1,000 pages pertaining to the most unusual subjects you are likely to read about anywhere in any era. . .and the stories are well researched and documented.

Fort's works have long been sought after and were finally made available long after his death. We are proud to be able to present the following four volumes in never before presented large print editions. The books in this set are:

#### **1. WILD TALENTS -- 2. BOOK OF THE DAMNED -- 3. NEW LANDS. 4. LO!**

In a breezy easy to read style Fort presents hundreds of episodic tales from the borderland of human understanding such as. . .

Strange Disappearances. . . The Man Who Couldn't Drown. . . Mysterious Cattle Rippers. . . Blonde Beast of Patagonia. . . Human Vampires. . . Lake and River Creatures. . . Bizarre Slayer of Sheep. . . Spontaneous Human Combustion. . . Mirages of Cities and Towns. . . Phantom Figures. . . THE Original Cat Burgler. . . Original UFOs and Airships. . . Submarine Objects. . . Possible UFOonauts. . . Fossils in Meteorites. . . AND MUCH MORE

### Editorial Review

#### Review

"I first purchased a copy of one of Charles Fort's books when I was about 13 years old. It was perhaps my first inkling that there were others who were interested in probing that which remains just on the other side of the unknown. . . I very proud to be able to present Fort's works in a large print, large format edition, as I believe this will open up his works to a whole new audience." --Tim Beckley, Conspiracy Journal

Fort - Back in Print Good news: publisher Tim Beckley has just released a 4-book set of Charles Fort's classic titles: Wild Talents; Book of the Damned; New Lands; and Lo! Here's what Tim has to say about the books: "I first purchased a copy of one of Charles Fort's books when I was about 13 years old. It was perhaps my first inkling that there were others who were interested in probing that which remains just on the other side of the unknown. I'm very proud to be able to present Fort's works in a large print, large format edition, as I believe this will open up his works to a whole new audience." And as Tim also notes: "Charles Fort was a collector of strange tales which he gleaned from dusty newspapers and out of print scientific journals. He spent over 20 years in public libraries in the UK and later in America where he combed the shelves of the NY Public Library in search of the strange and unknown. This resulted in 4 works of approximately 1,000 pages pertaining to the most unusual subjects you are likely to read about anywhere in any era. . . and the stories are well researched and documented. #### About the Author

This is the all time most extensive work ever done on the paranormal. Charles Fort dedicated his life to exploring true stories that science refused to explain in any rational terms. . . Fort tried his hand at fiction, but he was never successful in that regard. However, he is regarded today as the father of the strange and unusual -- that which cannot be explained. There are societies named after him and even a glossy magazine, FORTEAN TIMES.
