The Steampunk Tarot By Barbara Moore, Aly Fell

Where the past and future converge . . .

With a turn of the wheel and a spin of the cog, the oracular machinery lumbers into action. The curtains slowly draw back; the time has come to reveal your destiny.

Created by award-winning tarot expert Barbara Moore and brilliantly brought to life by artist Aly Fell, *The Steampunk Tarot* deck offers a glimpse of the future through a lens to the past. Retooling the gears of the Rider-Waite tradition, each card's intricate artwork depicts a scintillating fusion of man and machine, nature and technology, science and alchemy, romance and fashion. The included manual offers tips, original spreads, and guidance in card interpretation.

Praise:

"An electric marriage of favorite geeky things, this deck is the perfect formula."

Editorial Review

About the Author

In the early 1990s, at a party, someone put a tarot deck in Barbara's hands; she's held on tightly ever since. Tarot provides just enough structure so that we don't get lost as we explore the mysteries, plumb our dark corners, and locate our North Stars.

Barbara has been reading and writing for as long as she can remember. She's published a number of books on tarot, including *Tarot for Beginners*, *Tarot Spreads*, *The Steampunk Tarot*, *The Gilded Tarot*, *The Mystic Dreamer Tarot*, and *Tarot of the Hidden Realm*. Writing is solitary work and is relieved by teaching tarot at conferences around the world. Barbara also loves working directly with clients, helping them uncover guidance and insight in the cards.

Connect with Barbara online at www.tarotshaman.com.

Aly Fell is a UK-based illustrator with over 20 years experience in publishing, animation, and games.
