90-Day Geisha By Chelsea Haywood

Millionaires, surgeons, serial killers, CEOs: I light their cigarettes, mix their drinks. We engage in conversation. I am the facilitator of good times. I am a hostess. Step into the surreal world of a Tokyo hostess club and gain an exclusive underground pass through the eyes of author Chelsea Haywood as she explores a way of life unique to the Japanese, experiencing \$600 dinners, kabuki theatre, Harajuku shopping sprees and first-class trips to 'anywhere you want to go'. This is the true story of one girl's immersion in the world of hostessing, a late-night entertainment for wealthy Japanese men drawn from the traditional institution of the geisha. While the foreign slowly becomes familiar, Chelsea's initial enthusiasm turns into turmoil as she struggles to maintain both her sanity and her marriage in the face of material excess and relentless temptation.

Editorial Review

From Publishers Weekly

Haywood, a Canadian model who was 20 when the events of this book occurred, reassured herself and her husband, Matt, that working as a Tokyo hostess in an upscale Roppongi bar was more akin to being a geisha than a prostitute. Once she got the temporary but full-time job as hostess at Greengrass, all she had to do was look hot in a dress and heels, keep the rich customers drinking, make conversation and occasionally sing karaoke, all for a couple hundred dollars a night. Or so she thought. As she quickly learned, she had to be popular with the clients by building relationships, going on *dohans*, or dates, outside the club, and generally being at her favorites' beck and call. Some of the clients got pretty weird, such as the importunate, chatty surgeon Nori, who took the author on extravagant shopping sprees in the hope that she would love him, and the dangerously morose, cocaine-fueled Yoshi, the scion of a Japanese entertainment empire whose jaded diffidence Haywood began to fall for. Gradually, the mollifying of lonely older men's egos began to grate on the author, and she succumbed to a punishing routine of drink, drugs and late nights, rarely spending time with her husband (he also worked at a club), while declaring that Matt was completely supportive.

Haywood's sulky pose at decadence is not quite convincing. (*Dec.*)

Starred Review When night falls on Tokyo's Roppongi district, harried businessmen find a welcome respite from the relentless pressures of work. Here alcohol flows freely, drugs are easy to obtain, and, for a price, they can forget their cares in the company of a lovely young woman—or two or three. Canadian fashion model Haywood finds herself immersed in this surreal world when she begins a three-month stint as a Tokyo hostess. Being a hostess isn't about sex; these coveted women are prized for their engaging personalities, conversational skills, and willingness to sing karaoke (sometimes very badly). Of course, it doesn't hurt to be drop-dead gorgeous, which Haywood certainly is. Her very understanding husband (also a model) isn't bothered by the fact that his wife is surrounded by men who aggressively ogle her and ply her with drinks. Among them: Nori, a moody, possessive gastroenterologist; Koji, an obsessive, foulmouthed Oxford PhD; and cool, handsome and super-rich Yoshi, who brings out lustful feelings Haywood tries desperately to deny. Is it worth risking her marriage for a man who considers her little more than a commodity? Like Karin Muller's *Japanland* (2005) and Lea Jacobson's *Bar Flower* (2008), Haywood's candid, lively debut celebrates the cultural complexities of modern-day Japan. --Allison Block

Review

"An extremely entertaining debut book. She neatly hooks the reader, teasing us through her adventures in the oh-so-different cultures of urban Japan. Chelsea is wise beyond her years." (*The Independent [Australia]*)

"Hilarious and fast-paced, this is a book you never want to end." (*Famous Magazine [Australia]*)
