## Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory) By Ted Benton, Ian Craib

Philosophers and social scientists share a common goal: to explore fundamental truths about ourselves and the nature of the world in which we live. But in what ways do these two distinct disciplines inform each other and arrive at these truths? The 10th anniversary edition of this highly regarded text directly responds to such issues as it introduces students to the philosophy of social science.

While staying true to the writing of the late Ian Craib, this perennial text has been brought up to date by Ted Benton. This new edition includes previously unpublished personal insights from both authors, incorporates new commentaries on classic content and features an additional chapter on recent developments in the field.

The book:

- Addresses critical issues relating to the nature of social science
- Interrogates the relationship between social science and natural science
- Encompasses traditional and contemporary perspectives
- Introduces and critiques a wide range of approaches, from empiricism and positivism to post structuralism and rationalism.

Written in an engaging and student-friendly style, the book introduces key ideas and concepts while raising questions and opening debates. A cornerstone text in the Traditions in Social Theory series, this book remains essential reading for all students of social theory.

## **Users Review**

### **From reader reviews:**

#### **Mary McHugh:**

What do you consider book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Only you can be answered for that problem above. Every person has diverse personality and hobby for each and every other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory). All type of book is it possible to see on many methods. You can look for the internet options or other social media.

#### **Jarred Chisolm:**

A lot of people always spent their own free time to vacation as well as go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun for yourself. If you enjoy the book you read you can spent the entire day to reading a book. The book Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory) it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. When you did not have enough space bringing this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not too costly but this book offers high quality.

#### **Darlene Beaudoin:**

Exactly why? Because this Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory) is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content interior easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

#### **Donna Cauley:**

This Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory) is great e-book for you because the content that is full of information for you who all always deal with world and also have to make decision every minute. This kind of book reveal it data accurately using great organize word or we can point out no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Philosophy of Social Science: The Philosophical Foundations of Social Thought (Traditions in Social Theory) in your hand like keeping the world in your

arm, facts in it is not ridiculous a single. We can say that no guide that offer you world inside ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Hello Mr. and Mrs. active do you still doubt that?
