The 100 (The 100 Series) By Kass Morgan

The first book in the *New York Times* bestselling series that inspired the hit CW television show.

No one has set foot on Earth in centuries -- until now.

Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission.

CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth.

Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

Editorial Review

From [Booklist](#)

Dark and riveting, Morgan's entry in the very popular dystopian, postapocalyptic YA subgenre blends science fiction, romance, and characters' shadow sides with a mostly engrossing plotline. In a future lived on spaceships, long after the earth's destruction, teenage delinquents are usually sentenced to die for their transgressions. Then 100 of them, who are deemed disposable guinea pigs, are instead sent to the ravaged earth in order to see if it is habitable for humans. Clarke, Wells, Bellamy, and Glass are the four narrators, through whose voices the story line sometimes glides and sometimes bumps along. The differing perspectives shed much light on the otherwise lightly drawn world setting, but it can sometimes be hard to leave one character for the next. Regardless, Morgan's debut clips along at an easy pace because of its simple yet direct writing style. A mash-up of *The Lord of the Flies*, *Across the Universe*, and *The Hunger Games* this has already been tapped by the CW network for television production. It should appeal to fans of postapocalyptic novels seeking the next potentially big new thing. Grades 9-12. --Julie Trevelyan

Review

"It's easy to be drawn in by the *Lord of the Flies*-style tension that builds as the teens struggle to set up a new society on a battered Earth, and by the smoldering romances that hang in the balance." *Publishers Weekly*

"Dark and riveting...A mash-up of *The Lord of the Flies*, *Across the Universe*, and *The Hunger Games*." *Booklist*

"A mash-up of the hit TV reality show *Survivor* and traditional science fiction...Morgan's weave of pop-culture elements and politics make for a gripping read." *School Library Journal*

"Likely to be a hit with readers who want their *Pretty Little Liars* mixed with *Lord of the Flies*." *The Bulletin*

About the Author

Kass Morgan is the author of *The 100* series, which is now a television show on the CW. She received a bachelor's degree from Brown University and a master's degree from Oxford University. She currently works as an editor and lives in Brooklyn, New York.

Users Review

From reader reviews:

Jonathan McLean:

What do you in relation to book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this specific *The 100 (The 100 Series)* to read.

Rene Defeo:

Do you certainly one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys this specific aren't like that. This The 100 (The 100 Series) book is readable through you who hate the perfect word style. You will find the details here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to supply to you.
