**The Oxford Handbook of the French Revolution (Oxford Handbooks)** From Oxford University Press

*The Oxford Handbook of the French Revolution* brings together a sweeping range of expert and innovative contributions to offer engaging and thought-provoking insights into the history and historiography of this epochal event. Each chapter presents the foremost summations of academic thinking on key topics, along with stimulating and provocative interpretations and suggestions for future research directions.

Placing core dimensions of the history of the French Revolution in their transnational and global contexts, the contributors demonstrate that revolutionary times demand close analysis of sometimes tiny groups of key political actors - whether the king and his ministers or the besieged leaders of the Jacobin republic - and attention to the deeply local politics of both rural and urban populations. Identities of class, gender and ethnicity are interrogated, but so too are conceptions and practices linked to citizenship, community, order, security, and freedom: each in their way just as central to revolutionary experiences, and equally amenable to critical analysis and reflection.

This volume covers the structural and political contexts that build up to give new views on the classic question of the 'origins of revolution'; the different dimensions of personal and social experience that illuminate the political moment of 1789 itself; the goals and dilemmas of the period of constitutional monarchy; the processes of destabilisation and ongoing conflict that ended that experiment; the key issues surrounding the emergence and experience of 'terror'; and the short- and long-term legacies, for both good and ill, of the revolutionary trauma - for France, and for global politics.

## **Editorial Review**

### Review

"This is an excellent volume with a consistently high level of contribution."-Neil Davidson, *H-France Review*

### About the Author

David Andress, *Professor of Modern History, University of Portsmouth*

David Andress received his DPhil from the University of York in 1995, and has worked at the University of Portsmouth for the last twenty years. He has published widely on the French Revolution, from micro-studies of Parisian responses in 1789-91 to introductory textbooks, and from monographs to major syntheses and works of comparative history. His most recent major contribution was as editor of the volume *Experiencing the French Revolution* (2013).

## **Users Review**

### **From reader reviews:**

#### **Jonathan Scott:**

This amazing book will give you a lot of advantages than the other book have got such as help improving your talent and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

**Janice Wilson:**

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Oxford Handbook of the French Revolution (Oxford Handbooks) can make you truly feel more interested to read.
