The Treatment of Disease in TCM V7 : General Symptoms By Philippe Sionneau, Lu Gang

In this volume, the authors discuss the TCM disease causes, mechanisms, pattern discrimination, treatment principles, acupuncture, and Chinese herbal treatment of three dozen or more generalized diseases affecting the whole body. These include such complaints as obesity, emaciation, edema, jaundice, spontaneous perspiration, night sweats, and fatigue. With the publication of this final volume in this series, this set becomes the largest treatment manual of traditional Chinese diseases available in English. It's a must for every serious clinician.

Editorial Review

About the Author

Philippe Sionneau was born in Soyaux in the Charente region of Cognac, France in 1967. In 1986 he earned a BA in economics and in 1987 he received a diploma from the Naturopathic Institute of R. Masson. In 1994, Philippe earned a B.S. degree in Chinese medicine from the Hubei College of Chinese Medicine. Philippe currently teaches at the Traditional Japanese Medicine School in Paris, the Association for the Research of Asian Medicine, and for a number of private TCM study groups in France. He conducts a private practice in acupuncture and Chinese medicine in the environs of Paris. Philippe has studied and practiced a number of types of qi gong. These include the Five Animal Frolics, nei yang gong, and dao yin yang sheng gong with Bruno Lazzari and xing yi quan and southern shao lin with Frederic Cresel,

Philippe is the author of a number of Blue Poppy Press publications. These include Pao Zhi: An Introduction to the Use of Processed Chinese Medicinals; Dui Yao: The Art of Combining Chinese Medicinals; and The Treatment of Disease in TCM. The last is a seven volume series covering diseases from the head to the feet with acupuncture and Chinese medicine. Philippe's French language publications include L'acupuncture pratiquee en Chine, Tome 1: les points traditionnels & Vol 2: les traitements efficaces; Troubles psychiques en medecine chinoise; and Utilization clinique de pharmacopee chinoise.

Philippe is married and has two children by a first wife.

Users Review

From reader reviews:

Chris Hernandez:

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They need to answer that question because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need that The Treatment of Disease in TCM V7 : General Symptoms to read.

Deborah Beaudry:

Spent a free time to be fun activity to perform! A lot of people spent their down time with their family, or their particular friends. Usually they carrying out activity like watching television, going to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Might be reading a book could be option to fill your cost-free time/ holiday.
