Editorial Review

About the Author

John W. Santrock received his Ph.D. from the College of Education and Human Development at the University of Minnesota. He taught at the University of Charleston and the University of Georgia before joining the faculty at the University of Texas at Dallas. He has worked as a school psychologist and currently teaches educational psychology every year at the undergraduate level. In 2006, John received the University of Texas at Dallas Excellence in teaching award. His research has included publications in the Journal of Educational Psychology that focus on the contextual aspects of affectively-toned cognition and children's self-regulatory behavior as well as teachers' perceptions of children from divorced families. He has been a member of the editorial boards of Developmental Psychology and Child Development. His publications include these exceptional McGraw-Hill texts: Child Development, 13th Ed; Life-Span Development, 14th Edition; Adolescence, 14th Edition; Psychology, 7th Edition; and Educational Psychology, 4th Edition.

Users Review

From reader reviews:

Irving Gaston:

What do you think about book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't wish do that. You must know how great and important the book Adolescence (B&B Psychology). All type of book are you able to see on many sources. You can look for the internet solutions or other social media.
