Anything But Mine (Hearts of the South) Linda Winfree

Will her need to do the right thing cost them everything?

Book Four of the *Hearts of the South* series.

Public Defender Autry Holton, honor-bound to defend an accused serial killer, is in a “shunned if she does, disbarred if she doesn’t” position. To complicate matters, she’s pregnant and hasn’t yet told her ex-lover he’s the father. The reason? She’s pretty sure he won’t want the baby.

After raising one family and suffering a failed marriage, Sheriff Stanton Reed never believed he was the right man for Autry. Then an attempted break-in at Autry’s home highlights the real danger she faces, and all he can think of is protecting her. When she tells him the truth about their baby, the past doesn’t matter. He wants both her and their child in his life.

But just as Autry dares to hope there’s a future for them, an act of homegrown terrorism shatters her trust—and threatens their lives.

Editorial Review

Users Review

From reader reviews:

Eileen Moore:

The book Anything But Mine (Hearts of the South) can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Anything But Mine (Hearts of the South)? A number of you have a different opinion about e-book. But one aim this book can give many data for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or facts that you take for that, you may give for each other; you may share all of these. Book Anything But Mine (Hearts of the South) has simple shape however you know: it has great and massive function for you. You can appearance the enormous world by start and read a e-book. So it is very wonderful.

John Damm:

In this 21st hundred years, people become competitive in every way. By being competitive currently, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Sure, by reading a e-book your ability to survive increase then having chance to endure than other is high. To suit your needs who want to start reading a new book, we give you that Anything But Mine (Hearts of the South) book as beginner and daily reading book. Why, because this book is greater than just a book.

Hugo Carter:

As we know that book is essential thing to add our expertise for everything. By a book we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This e-book Anything But Mine (Hearts of the South) was filled in relation to science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading the book. If you know how big good thing about a book, you can really feel enjoy to read a reserve. In the modern era like currently, many ways to get book that you wanted.

Eric Rodriguez:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach

Chinese's country. Therefore this Anything But Mine (Hearts of the South) can make you sense more interested to read.
