Editorial Review

From [Booklist](#)

This graphic novel serves as a comic prequel to the critically acclaimed video-game trilogy of the same name. Humans have inhabited space, and in their flight across the stars one colony has discovered the mysterious “marker,” a symbol of reverence and prophecy in the church of Unitology and source of controversy among the spaceship’s crew. As ghostly shades of dead colonists appear on the ship, the story takes a dark turn and writer Johnston (*Wasteland*) descends into the chilling corridors of comic horror. While the story is robust, the true flavor comes from the art of the talented Templesmith (*30 Days of Night*). From jarring splash pages to tightly cut action panels, his breadth and scope for the page are masterful; his character designs channel Jeff Lemire; while the deep blacks juxtaposed with bright reds recall Alex Maleev. Using a rich mythology to great advantage, the creators expand the possibilities of the space-horror genre. Maybe in space, everyone can hear you scream. --Ben Spanner

Review

"Writer Antony Johnston fashions a tense, thought-provoking story laced with bucketfuls of gore. Artist Ben Templesmith’s style – scratchy and chaotic with an almost unfinished feel, the direct antithesis to the hyper-realistic style of many of his peers – has never been my favorite, but it absolutely works here, adding to the hectic pace of the story. *Dead Space* is a totally engaging off-world adventure, and an excellent introduction to the series as a whole." – *FearNet*

“I would highly recommend that any *Dead Space* or comic book fan pick up a copy.” – *Examnier*

About the Author

Antony Johnston is a British author and comic book writer. A frequent collaborator with Alan Moore, he has adapted numerous Moore prose works into graphic novels (including *THE COURTYARD*, *ANOTHER SUBURBAN ROMANCE*, and *HYPOTHETICAL LIZARD*, among others) and expanded upon ideas originally conceived by Moore with the horror series *YUGGOTH CREATURES* and *NIGHTJAR*. Johnston is also the creator of the apocalyptic comic book series *WASTELAND* and has written *DAREDEVIL* for Marvel Comics.

Users Review

From reader reviews:

Tom Scott:

Reading can called thoughts hangout, why? Because if you find yourself reading a book mainly book entitled *Dead Space* your thoughts will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely can be your mind friends. Imaging just about every word written in a book then become one web form conclusion and explanation in which maybe you never get prior to. The *Dead Space* giving you a different experience more than blown away your head but also giving you useful data for your better life in this era. So now let us teach you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Mark Bottoms:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your morning to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are having problem with the book in comparison with can satisfy your small amount of time to read it because all this time you only find reserve that need more time to be learn. Dead Space can be your answer as it can be read by a person who have those short spare time problems.

Anthony Brown:

You can obtain this Dead Space by look at the bookstore or Mall. Merely viewing or reviewing it could possibly to be your solve issue if you get difficulties for your knowledge. Kinds of this reserve are various. Not only by means of written or printed but in addition can you enjoy this book by means of e-book. In the modern era like now, you just looking because of your mobile phone and searching what their problem. Right now, choose your ways to get more information about your book. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose proper ways for you.

Jimmie Houck:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Dead Space can make you feel more interested to read.
