Gated By Amy Christine Parker

A fast-paced, nerve-fraying contemporary thriller that questions loyalties and twists truths.

Appearances can be deceiving.

Lyla Hamilton is a loyal member of the Community. Her family was happy to be chosen by Pioneer to join such an lovely gated neighborhood. Here, life seems perfect.

But after meeting Cody, an outsider boy, Lyla starts questioning Pioneer, her friends, her family--everything. And if there's one thing not allowed in the Community, it's doubt. As Pioneer cleverly manipulates his flock toward disaster, the real question is: Will Lyla follow her heart or follow Pioneer over the edge?

From the outside looking in, it's hard to understand why anyone would join a cult. But *Gated* tells the story from the inside looking out, and from behind the gates things are not quite so simple. Amy Christine Parker's beautiful writing creates a chilling, utterly unique YA story. Perfect for fans of creepy thrillers and contemporary fiction alike.

"A tense psychological thriller that will leave you gasping for breath as you race to the very last page." --**Gretchen McNeil**, author of *Ten*

HelloGiggles.com, August 3, 2013:

"When I found out that there was a YA book about cults, of course I had to read it. As it turns out, Amy Christine Parker's *Gated* is an awesome, creepy book that reminds me of my favorite cult films while still being surprising."

Starred Review, Kirkus Reviews, June 15, 2013:

"Parker doesn't pull punches, indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla's complete entrapment in the Community. Compelling and not that distant from real-world cults that have ended in tragedy."

Publishers Weekly, June 10, 2013:

"Parker skillfully explores the mindset and inner workings of an apocalyptic cult,

steadily building toward the inevitable moment of truth...As for the apocalypse itself, Parker keeps things suitably ambiguous, resulting in a complex, intriguing tale rooted in real-world events."

School Library Journal, October 2013:

"This well-plotted tale will allow readers a glimpse into the possible world of a doomsday cult...The language is accessible, making it a good choice for reluctant readers. After the last page is turned, the question will linger: 'Could I ever be deceived like this?'"

Examiner.com

"A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker's works in the future."

From the Hardcover edition.

Editorial Review

Users Review

From reader reviews:

Omar Carter:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try factor that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Gated, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Pam Gray:

Your reading 6th sense will not betray anyone, why because this Gated book written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still skepticism Gated as good book not merely by the cover but also by content. This is one publication that can break don't determine book by its deal with, so do you still needing another sixth sense to pick this particular!?! Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Hazel Makowski:

This Gated is new way for you who has intense curiosity to look for some information mainly because it relief your hunger info. Getting deeper you into it getting knowledge more you know or you who still having little bit of digest in reading this Gated can be the light food for you because the information inside that book is easy to get through anyone. These books acquire itself in the form which is reachable by anyone, yes I mean in the e-book application form. People who think that in reserve form make them feel tired even dizzy this publication is the answer. So there isn't any in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss that! Just read this e-book sort for your better life as well as knowledge.

William Vong:

That reserve can make you to feel relax. This kind of book Gated was bright colored and of course has pictures on the website. As we know that book Gated has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to

choose the best book for you personally and try to like reading in which.
