Hunger (Gone Book 2) By Michael Grant

It's been three months since all the adults disappeared. Gone. Food ran out weeks ago and starvation is imminent. Meanwhile, the normal teens have grown resentful of the kids with powers. And when an unthinkable tragedy occurs, chaos descends upon the town. There is no longer right and wrong. Each kid is out for himself and even the good ones turn murderous. But a larger problem looms. The Darkness, a sinister creature that has lived buried deep in the hills, begins calling to some of the teens in the FAYZ. Calling to them, guiding them, manipulating them.

The Darkness has awakened. And it is hungry.

Editorial Review

From School Library Journal

Grade 7 Up—In the second in a planned six-book series, the children of Perdido Beach, CA, have survived without adults for three months following the FAYZ, a nuclear event that caused everyone over the age of 14 to vanish and an impenetrable barrier to rise for 20 miles around the town. Now their food is almost gone, and in their desperation and fear, the young people are beginning to sort themselves into factions; those without special powers opposing those who have them. To add to the suspense, a terrifying presence that calls itself the Gaiaphage, a being of overwhelming hunger, is insinuating itself into the minds of the susceptible. Like *Gone* (HarperTeen, 2008), this novel is not for the faint of heart or weak of stomach. Nonstop action and recurring scenes of graphic violence, death, and torture will keep readers on the edge of their seats as they race toward the climactic cliff-hanger ending. Give this to teens who liked Stephen King's *The Stand* (Doubleday, 1990) or William Golding's *Lord of the Flies* (Penguin, 1959).—Jane Henriksen Baird, Anchorage Public Library, AK

Review

"... exciting, high-tension story told in a driving, torrential narrative that never lets up. This is great fiction. I love this book.' Stephen King, bestselling author. 'A tour-de-force that will leave readers dazed, disturbed, and utterly breathless' Booklist; 'If Stephen King had written Lord of the Flies, it might have been a little like this' Voice of Youth Advocates (VOYA) (Starred Review) 'I Love this book' - Stephen King, bestselling author"

From the Back Cover

It's been three months since all the adults disappeared. Gone.

Food ran out weeks ago and starvation is imminent. Meanwhile, the normal teens have grown resentful of the kids with powers. And when an unthinkable tragedy occurs, chaos descends upon the town. There is no longer right and wrong. Each kid is out for himself and even the good ones turn murderous.

But a larger problem looms. The Darkness, a sinister creature that has lived buried deep in the hills, begins calling to some of the teens in the FAYZ. Calling to them, guiding them, manipulating them.

The Darkness has awakened. And it is hungry.

Users Review
