Editorial Review

About the Author

Internationally renowned author John Montroll has significantly increased the origami repertoire with his original designs. Best known as the inspiration behind the single-square, no-cuts, no-glue approach, the American origami master presents meticulously developed folding sequences that result in better models with fewer steps.

Users Review

From reader reviews:

Larry Parker:

What do you think about book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has distinct personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that.
