The Eyes of the City By Richard Sandler

Timing, skill, and talent all play an important role in creating a great photograph, but the most primary element, the photographer's eye, is perhaps the most crucial. In *The Eyes of the City*, Richard Sandler showcases decades' worth of work, proving his eye for street life rivals any of his generation.

From 1977 to just weeks before September 11, 2001, Richard regularly walked through the streets of Boston and New York, making incisive and humorous pictures that read the pulse of that time. After serendipitously being gifted a Leica camera in 1977, Sandler shot in Boston for three productive years and then moved back home to photograph in an edgy, dangerous, colicky New York City.

In the 1980s crime and crack were on the rise and their effects were socially devastating. Times Square, Harlem, and the East Village were seeded with hard drugs, while in Midtown Manhattan, and on Wall Street, the rich flaunted their furs in unprecedented numbers, and "greed was good."

In the 1990s the city underwent drastic changes to lure in tourists and corporations, the result of which was rapid gentrification. Rents were raised and neighborhoods were sanitized, clearing them of both crime and character. Throughout these turbulent and creative years Sandler paced the streets with his native New Yorker's eye for compassion, irony, and unvarnished fact.

The results are presented in *The Eyes of the City*, many for the first time in print. Overtly, they capture a complex time when beauty mixed with decay, yet below the picture surface, they hint at unrecognized ghosts in the American psyche.

Editorial Review

Review

"From the anonymous masses in Grand Central Terminal to Orthodox Jews on the subway, *The Eyes of the City* is a tribute to the unrecognized ghosts of New York's past." –**i-D**

"From the pages of his new book, you can almost hear the rattle of the subway cars, the tap of high heels on concrete and the commotion of midtown rush hour. But if the city is the theatre, it's the people who take center stage." –**TIME Lightbox**

"In the book, Sandler takes us on a wild and wandering journey through a New York (and briefly Boston as well) that hardly exists anymore, staring, prying and eavesdropping along the way. We wander through the concrete and steel canyons with him, noting the characters that punctuate the masses teeming by on sidewalks; we descend underground to the subway and meet more characters playing out the drama of living in one of the world's most famous, gritty and raw cities." –**Washington Post**

"It's a dramatic appraisal of street photography, yet Sandler's images are so frequently more so. A picture is worth a thousand words, and all that. Sandler's street life chronicles — from the day he was given his Leica, to just weeks before 9/11 — are brought together; drama rarely far, New York's strange souls laid bare." –**WeHeart**

About the Author

Richard Sandler is a street photographer and documentary filmmaker. He has directed and shot eight non-fiction films, including *The Gods of Times Square*, *Brave New York* and *Radioactive City*. Sandler's still photographs are in the permanent collections of the New York Public Library, the Brooklyn Museum, the New York Historical Society, and the Houston Museum of Fine Art. He was awarded a New York Foundation for the Arts fellowship for photography, a John Simon Guggenheim Foundation fellowship for Filmmaking, and a New York State Council on the Arts fellowship also for Filmmaking.

Users Review

From reader reviews:

Leopoldo Gonzalez:

Book is to be different for every single grade. Book for children until adult are different content. As we know that book is very important for people. The book *The Eyes of the City* seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide *The Eyes of the City* is not only giving you far more new information but also being your friend when you truly feel bored. You can spend your current spend time to read your reserve. Try to make relationship together with the book *The Eyes of the City*. You never feel lose out for everything should you read some books.

Delores Moretti:

Reading a reserve can be one of a lot of task that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new information. When you read a publication you will get new information because book is one of a number of ways to share the information or even their idea. Second, reading through a book will make a person more imaginative. When you looking at a book especially hype book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to others. When you read this The Eyes of the City, it is possible to tells your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a e-book.

Dennis Gaines:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Eyes of the City, it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

William Stone:

Can you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try to pick one book that you just dont know the inside because don't determine book by its handle may doesn't work the following is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be The Eyes of the City why because the great cover that make you consider about the content will not disappoint anyone. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly show you to pick up this book.
