Princess just want to have fun

This spring, Mia's determined to have a good time, despite the fact that the student government over which she presides is suddenly broke. Fortunately (or unfortunately, depending on how you look at it) Grandmère has an elaborate scheme to simultaneously raise money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor, not her boyfriend. It's no wonder that Michael, the love of her life, seems to think she's a psycho, or worse: not much fun.

Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party?

Gr. 5-8. Class president (and princess) Mia Thermopolis is in hot water when it is discovered that the purchase of new recycling containers has wiped out the funds needed for commencement. Her grandmother decides to help by producing a school musical starring a very reluctant Mia. Mia's quandaries are less involving here than in previous books in the series, but readers will still enjoy this seventh cast reunion.
