CINEMATOGRAPHY 101: Ten Essential Lessons for the Noob Cinematographer (Film School Online 101 Series Book 3) By Film School Online!

Cinematography is perhaps the most mysterious of the filmmaking crafts because of the technology and equipment required to do the job. Aspiring filmmakers either love it or fear it with a passion! Once you understand the basic principles, however, it becomes a powerful tool in screen storytelling. Here is an overview of the art and craft of cinematography and how it fits into the overall scheme of making a movie. Includes a look at current technology and trends. The "ten essential lessons" are a compilation of several articles and lessons from the Film School Online website. Length: approximately 43 pages.
