### Compliments That Turn Women On By Brian Sesanetti

Compliments do not only flatter women and turn them on; they also make women happy and happiness is the ultimate prescription to a fulfilling life. The more happiness you create among women, the more women will flock to your space. One must learn to use the right compliments for the right woman at the right time with the right tone. This book provides strong expressions of admiration that work across cultures regardless of country of origin. It is not a book to be read all at once. Rather, keep it as a companion in your bag and read the sections that correlate with your current situation.
