## Global Political Economy By John Ravenhill

Featuring carefully edited contributions from an impressive line-up of international scholars, *Global Political Economy*, Third Edition, is an authoritative introduction that combines coverage of history and theoretical approaches with contemporary issues and debates. The expert contributors offer a diverse range of perspectives and insights into the relevance of global political economy within international relations.

Fully up-to-date, the third edition features substantially revised chapters that reflect the latest developments in global political economy, particularly the events and outcomes of the 2008 financial crisis. The text is enhanced by pedagogical features and a two-color design. A **Companion Website** offers resources for students (a flashcard glossary, a timeline, and links) and instructors (PowerPoint-based slides, case studies, and figures and tables from the book).
