Last Battle By Cornelius Ryan

[This is the Audiobook CD Library Edition in vinyl case.]

The classic account of the final offensive against Hitler's Third Reich

The Battle for Berlin was the culminating struggle of World War II in the European theater. The last offensive against Hitler's Third Reich, it devastated one of Europe's historic capitals and marked the final defeat of Nazi Germany. It was also one of the war's bloodiest and most pivotal battles, whose outcome would shape international politics for decades to come.

The Last Battle is Cornelius Ryan's compelling account of this final battle, a story of brutal extremes, of stunning military triumph alongside the stark conditions that the civilians of Berlin experienced in the face of the Allied assault. As always, Ryan delves beneath the military and political forces that were dictating events to explore the more immediate imperatives of survival, where, as the author describes it, "to eat had become more important than to love, to burrow more dignified than to fight, to exist more militarily correct than to win."

The Last Battle is the story of ordinary people, both soldiers and civilians, caught up in the despair, frustration, and terror of defeat. It is history at its best, a masterful illumination of the effects of war on the lives of individuals, and one of the enduring works on World War II.

Editorial Review

From Publishers Weekly

Marking the 50th anniversary of events leading up to the end of WWII are these two reissued historical works from the late war correspondent, author of *The Longest Day*.

From Library Journal

Published in 1974 and 1966, respectively, these comprise the second and third legs of Ryan's World War II trilogy begun with 1959's *The Longest Day* (Classic Returns, 4/15/94). *Bridge* examines the Allies' failed plan to open a venue into Germany, while *The Last Battle* profiles the growing tensions among the ranks of both the Allied and the Axis powers toward the conclusion of the European war. LJ's reviewers praised Ryan, finding his analysis "exciting and fast paced" (LJ 8/74) and "the tensions of the period are there on each page" (LJ 3/1/66).

Harold Karr:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Last Battle can make you truly feel more interested to read.
