Editorial Review

Review

"Ramzy Baroud's sensitive, thoughtful, searching writing penetrates to the core of moral dilemmas that their intended audiences evade at their peril. Few are spared his perceptive eye, and only the morally callous will fail to respond to his pleas to look into the mirror honestly, to question comforting beliefs that protect us from facing our elementary responsibilities, and to act to remedy the terrible misery and injustice that he exposes to our view, as we surely can." -- Noam Chomsky
