Editorial Review

Review

“I believe Coleman and Kerbo definitely has the student in mind when writing this text. On a practical level, the chapters are clear and concise-and short, which while I hate to admit, is a benefit in the eyes of many students. However, there is no sacrifice when it comes to the quality of the material. This is a particularly difficult balance to strike, and the authors have done it nicely in that respect.”

-Christine Janis, Northern Illinois University

“The pedagogy of the text is excellent. The outline is very thorough and easy to follow. The discourse follows a path which is very flowing in nature and easy for the reader to comprehend.”

-Sondra McKinney, Missouri State University

“By and large, the text is highly accurate in its presentation of factual information, e.g. data, studies, surveys, and the like.”

-C. William Hall, North Carolina State University

“I believe the length and pace of this text is right on. Information is paced well, coherent, and presented in a way that is sufficient to provide the requisite knowledge of the subject matter without drowning the student in a sea on unnecessary rhetoric.”

-Christine Janis, Northern Illinois University

“I believe that this text provides both students and instructors with a well-grounded base for sociological investigation. The text is sound and written in a manner which is easy to understand without missing the severity of the issue.”

-Sondra McKinney, Missouri State University

From the Back Cover

Available in paperback 4-color for the first time!

Drawing on the perspectives of multiple groups (rich, middle class, and poor; whites and people of color; gays and straights; females and males), *Social Problems*, 10/e examines troubled institutions, problems of inequality, conformity and deviance, and the problems of a changing world.

Now available in paperback, this text familiarizes students with the most trying problems of their times, while stimulating them to think in a critical, scientific way.

About the Author

James W. Coleman is a professor of sociology at California Polytechnic State University, San Luis Obispo, and past chair of the Social Sciences Department. He earned his M.A. and Ph.D. at the University of California, Santa Barbara. He was a student of Donald R. Cressey who, until his death, was one of America's

leading criminologists and the co-author of this text.

Professor Coleman is an internationally recognized authority on white collar crime. In addition to numerous articles on the subject, he is the author of *The Criminal Elite: Understanding White Collar Crime*, currently its 6th edition. He is also interested in the sociology of religion and has published a new book on Western Buddhism called *The New Buddhism: The Western Transformation of an Ancient Tradition*. He is currently working on a book on the sociology of religion in the postmodern age.

Harold R. Kerbo is a professor of sociology at California Polytechnic State University, San Luis Obispo. Professor Kerbo has been promoting international education in the United States and abroad since the early 1980s and has extensive teaching and research experience in Asia and Europe. In addition to other teaching experience in Tokyo, Professor Kerbo was a Fulbright Professor during 1988—1989 at Hiroshima University, as well as a visiting professor in the Law Faculty at Hiroshima Shudo University. During 1991, Professor Kerbo was a visiting professor at the University of Duisburg, Germany, and returned to the Dusseldorf area during 1992 and 1993 as a research professor conducting research on employee relations in Japanese corporations located in Germany. In 1990, Professor Kerbo received a Fulbright-Hays grant to study at Chulalongkorn University in Bangkok, Thailand, and for several months during 1994—1996 directed a research project on employee relations in American and Japanese corporations with operations in Thailand. During 1996, he was also a visiting professor in the MBA Program at the Prince of Songkla University in Thailand. From 1995, Professor Kerbo has been in charge of annual study programs he helped establish for American students in Thailand, with study trips also to Laos and Vietnam. During the winter term of 1999, Professor Kerbo was a visiting professor at the University of Zurich, Switzerland, and was a visiting professor at the University of Wales, Great Britain, during the fall term of 1999. He is currently doing research on poverty in SE Asia with an Abe Research Fellowship, and based at the Center for the Study of Social Stratification and Inequality at Tohoku University, Sendai, Japan. Professor Kerbo has published six books and numerous articles on the subjects of social stratification, comparative societies, corporate structure, and modern Japan. He is the author of the leading textbook on social stratification titled *Social Stratification and Inequality*, 7/E, and, along with John A. McKinstry, the author of *Who Rules Japan?: The Inner-Circles of Economic and Political Power*. His latest book is *World Poverty: Global Inequality and the Modern World System*.
