Spock vs. Q Gift Set (Star Trek (Unnumbered Audio)) By Alien voices

An exciting and at times Hilarious confrontation between chaos and logic!

As the end of the twentieth century nears, an asteroid is hurtling toward Earth. When it hits, the impact will result in the end of all life on the planet.

Ambassador Spock travels back in time to subtly warn Earth's inhabitants of impending doom while calling into question humanity's priorities. However, before the truth is told, the all powerful being Q appears and reminds Spock that he is prohibited from interfering in Earth's history. Besides, Q doesn't see mankind as something worth saving.

This initial encounter between the two legendary characters explodes into a battle of wits as Spock cleverly befuddles Q with his own words. As barbs are exchanged, and humanity's laws and wonders are laid bare, Spock's logic just may convince Q that humans are indeed a species worthy of salvation, but will he be too late?

In *Spock Vs. Q*, Leonard Nimoy and John de Lancie again bring their characters to glorious life in the most lively and entertaining debate since Nixon vs. Kennedy. Recorded in front of a live audience, *Spock Vs. Q* is a stirring audio program that could only come from Alien Voices.

The Sequel

The battle of wits and logic is joined again!

Following their debate over the fate of mankind, Spock and Q continue their discussions over a meal. After dining, the two return to the stage to recount their repast, which included encounters with several of Spock's former shipmates.

However, at the moment the two verbal sparring partners shake hands, a power surge places them in total darkness. Suddenly, Spock and Q are no longer on stage, but somewhere in deep space.

As they struggle to determine what has happened, a curious personality change

takes hold. Spock is overcome with giddy delight. Q is much more serious, even...logical.

Masterfully performed by Leonard Nimoy and John de Lancie, *Star Trek® Spock vs. Q: The Sequel* is a fascinating and often hilarious role reversal that reveals previously unknown sides of Spock and Q. It is a program so original it could only come from Alien Voices®.
