### The Mane Squeeze (The Pride Series) By Shelly Laurenston

*In Shelly Laurenston's laugh-out-loud funny, deliciously sexy novel, a shape-shifting Grizzly and a single dangerous feline collide--and discover untamed, unstoppable attraction. . .*

Growing up on the tough Philly streets, Gwen O'Neill has learned how to fend for herself. But what is she supposed to do with a nice, suburban Jersey boy in the form of a massive Grizzly shifter? Especially one with a rather unhealthy fetish for honey, moose, and. . .uh. . .well, *her*. Yet despite his menacing ursine growl and four-inch claws, Gwen finds Lachlan "Lock" MacRyrie cute and really sweet. He actually watches out for her, protects her, and unlike the rest of her out-of-control family manages not to morbidly embarrass her. Too bad cats don't believe in forever.

At nearly seven feet tall, Lock is used to people responding to him in two ways: screaming and running away. Gwen--half lioness, half tigress, all kick-ass--does neither. She's sexy beyond belief and smart as hell, but she's a born protector. Watching out for the family and friends closest to her but missing the fact that she's being stalked by a murderous enemy who doesn't like hybrids. . .and absolutely hates Gwen. Lock probably shouldn't get involved, but he will. Why? Because this is Gwen--and no matter what the hissing, roaring, drape destroying feline says about not being ready to settle down, Lock knows he can't simply walk away. Not when she's come to mean absolutely *everything* to him.

## **Editorial Review**

From Publishers Weekly

Family drama dominates this pugilistic paranormal romance, the fourth in Laurenston's Pride series (after 2008's *The Mane Attraction*). Lock MacRyrie, a part-time grizzly bear, and Gwen O'Neill, a lion/tiger hybrid shifter, meet during a brawl. The fists never stop flying as they face down hate crimes, interfering relatives and the challenges of starting a furniture business. Despite being billed as a tough, streetwise Jersey girl, Gwen is a surprisingly and frustratingly passive heroine who has a hard time standing up to her dismissive family. In true cat fashion, she's plagued by jealousy yet leery of commitment, making her romance with Lock a struggle for both of them. With a sharp eye for detail, Laurenston manages to combine *Animal Planet* and *The Sopranos* with bonus life-altering roller derby. Fans of the series will enjoy this latest addition. (Nov.)
