Editorial Review

From School Library Journal

Grade 9 Up—Charles Dickens's classic tale of one family's suffering during the French Revolution is brought to life in this audio adaptation. The voice of Audie Award-winning narrator Simon Vance sets the tone for the characters and creates the Dickensese mood of the times when the rich and the poor were far apart and no one was exempt from the ensuing wrath during the Revolution. Vance's tone varies from soothing to animated while creating different voices for the characters and using appropriate accents. A bonus feature on the last CD is an e-book in pdf format that can be printed or used as a read-along while listening to the audio. This easily navigated feature would be particularly helpful for struggling readers.—*Jeana Actkinson, Bridgeport High School, TX*

Review

"It is really one of his best. There are passages so spattered with violence and blood that you look out for the red blotches on the page in front of you...brilliantly plotted" -- A.N. Wilson Daily Telegraph "Dickens's story of love, espionage and Anglo-French relations" Scotsman "When I was very much younger I used to think that *A Tale of Two Cities* by Charles Dickens was the most wonderful book in all the world. I was particularly moved by Sydney Carton dying in the place of Charles Evremonde and thought this was a wonderful act but, in fact, of course in later years if you read it, it becomes an incredibly selfish act" -- Anne Widdecombe Independent "Dickens writes about Parisian and London society with such grittiness and truth, you become immersed" -- Anne Charleston (Madge from Neighbours!!) "Dickens's magnificent account of the revolution and one of his best (and shortest) novels" Observer

From the Publisher

The classic, definitive, world-famous Nonesuch Press edition of 1937, finally available again and bound in leather and linen. The text in these stunning volumes is taken from the 1867 Chapman and Hall edition, which became known as the Charles Dickens edition and was the last edition to be corrected by the author himself. The Nonesuch edition contains full-color illustrations selected by Dickens himself, by artists including Hablot Knight Browne ("Phiz"), George Cruikshank, John Leech, Robert Seymour, and George Cattermole.

The Nonesuch Dickens reproduces the original elegance of these beautiful editions. Books are printed on natural cream-shade high quality stock, quarter bound in bonded leather with cloth sides, include a ribbon marker, and feature special printed endpapers. Each volume is wrapped in a protective, clear acetate jacket.

The books are available as individual volumes, or as sets. The six-volume set contains *Oliver Twist*, *Bleak House*, *Christmas Books*, *Nicholas Nickleby*, *David Copperfield*, and *Great Expectations* together with *Hard Times*. The three-volume set contains *A Tale of Two Cities*, *Little Dorrit*, and *The Life and Adventures of Martin Chuzzlewit*.

Users Review

From reader reviews:

Shirley Parker:

Book is actually written, printed, or highlighted for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Adjacent to that you can your reading talent was fluently.
