diffordsguide Cocktails: The Bartender's Bible By Simon Difford

Includes 800 new recipes.

Reviews of previous edition:

Whether you take your drink shaken, stirred, on the rocks, or neat, you will still find plenty to keep you busy at the bar with this exceedingly useful resource.

-- **Library Journal**

Have ice crusher. Will travel. Especially with this 500 page hardcover bartending bible tucked under one arm. A comprehensive compendium of all things gin fizz and champagne bubbly, it features not only recipes and glossy illustrations of just how to place an umbrella on a Singapore Sling, but also detailed guides to the right garnishes, glassware and tools needed for the perfect bartender's kit.

-- The Globe and Mail

Simon Difford has earned a huge and loyal international following in professional bartending circles. Discerning drinkers, amateur mixologists and professional bartenders will continue to find this 11th edition of his *Cocktails* to be an indispensable reference.

Practical and inspiring, this book contains 3000 recipes from the traditional to the new and inventive. Each easy-to-follow recipe has a color photograph of the assembled drink in its assigned glass, ingredient measures, directions, garnish, variations, plus fascinating information on the cocktail's origin.

This 11th edition includes 800 new recipes, plus:

- An A to Z recipe directory
- Detailed instructions for beginners, including all the basic skills
- Recommendations for the best equipment
- A directory of glass types
- The 14 key alcoholic ingredients, which make a minimum of 450 cocktails
- The 9 essential juices and mixers
- The 18 essential refrigerator and cupboard staples

- An index of ingredients and the cocktails they are used in
- The top 100 great cocktail bars of the world.

Editorial Review

From [Booklist](#)

Cocktails: The Bartender's Bible the quintessential reference for anyone interested in making alcoholic concoctions. Before giving the recipes, Difford provides readers with the ultimate context for bartending, with sections on "Bartending Basics," "Bartender's Kit," "Glassware," "Garnishes," and "Key Ingredients." Drink recipes are listed A–Z, with each specifying the glass, garnish, recipe, variants (if any), comments from the author, and the origin of the drink. A small color photograph accompanies each entry, while "Bartender's Tips" throughout the volume offer valuable techniques to ensure the highest-quality cocktail. A great feature of this resource is the "New/Updated" designation next to the name of the cocktail, allowing owners and users of previous editions to identify recipe variations and new additions. --Janet Pinkley

Review

This 11th edition is the product of 18 years of research by the author, and is updated with 800 new cocktails. Many have a number of variations and some have profiles that feature interesting tidbits on the drinks' historical or technical aspects... My favourite part: the rating of the drinks. They range from 1 star (disgusting) to 5 stars (excellent) with hilarious gradations in between... There is plenty of info for new and experienced bartenders alike... Cocktail, anyone? (*Canadian Living* 2013-12-17)

(star review) This is a visually appealing, easy-to-use guide for accomplished bartenders and newcomers alike. (*Library Journal xPress Reviews* 2013-11-23)

Easy to follow, straight up. (*Newsday* 2013-12-05)

The 11th edition of this boozy reference guide is the essential tome for your serious, hardcore cocktailian. (*Vancouver Sun* 2013-12-13)

A great addition to most public libraries needing some new life in their collection. (Shannon Graff Hysell *American Reference Books Annual 2014* 2014-09-01)

About the Author

Simon Difford is a drinks industry celebrity. His experience includes running his own bar, founding his own import company and establishing brands. He is a Glenfiddich Food and Drink Award winning writer and lives in London, England.

Users Review

From reader reviews:

Margaret Clayton:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information that could give you benefit in your life. With book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach

children, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write for their book. One of them is this diffordsguide Cocktails: The Bartender's Bible.

Christopher Mills:

Many people spending their time by playing outside along with friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by reading a book. Ugh, think reading a book can actually hard because you have to bring the book everywhere? It ok you can have the e-book, getting everywhere you want in your Smart phone. Like diffordsguide Cocktails: The Bartender's Bible which is obtaining the e-book version. So , try out this book? Let's notice.

Gene Kirkland:

This diffordsguide Cocktails: The Bartender's Bible is completely new way for you who has fascination to look for some information mainly because it relief your hunger info. Getting deeper you onto it getting knowledge more you know or else you who still having tiny amount of digest in reading this diffordsguide Cocktails: The Bartender's Bible can be the light food for yourself because the information inside this book is easy to get by anyone. These books acquire itself in the form which can be reachable by anyone, yes I mean in the e-book contact form. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there is no in reading a book especially this one. You can find what you are looking for. It should be here for you. So , don't miss that! Just read this e-book variety for your better life along with knowledge.

Jennifer Vickery:

Reading a book make you to get more knowledge from it. You can take knowledge and information from your book. Book is published or printed or outlined from each source that will filled update of news. Within this modern era like right now, many ways to get information are available for you actually. From media social like newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just looking for the diffordsguide Cocktails: The Bartender's Bible when you needed it?
