Editorial Review

Review

Solutions Manual with Transparency Masters, Software and Study Guide available. -- *The publisher, John Wiley & Sons*

From the Publisher

This book is also available through the Introductory Engineering Custom Publishing System. If you are interested in creating a course-pack that includes chapters from this book, you can get further information by calling 212-850-6272 or sending email inquiries to engineerjwiley.com. Offers a refreshing approach to mechanics through a careful, step-by-step development of basic concepts. Exceptional, full-color art gives clarity and realism to the illustrations. Greater emphasis on free body diagrams provides a strong foundation. Covers moments of inertia and internal distribution extensively. Introduces distributed loads early for use in all subsequent rigid body equilibrium chapters, offering greater flexibility in the types of loads that can be applied to rigid bodies.

Users Review

From reader reviews:

Florence Croy:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world.
