Harmful Intent By Robin Cook

It should have been a routine childbirth. But somehow, the mother died in the delivery, the baby was born brain-damaged, and Jeffrey Rhodes, the anesthesiologist, is running for his life. Charged with malpractice, he is found guilty of harmful intent and reckless disregard for human life. To clear his name, Rhodes must follow a fugitive trail into the heart of medical nightmare. A trail that, for some, may end in suicide--and for others, in the most shocking conspiracy of our time...

Editorial Review

From Publishers Weekly

When a mother and her newborn infant die from the anesthetic he has administered, Boston anesthesiologist Dr. Jeffrey Rhodes's life turns into a shambles. Within months he has been financially destroyed in a malpractice suit and convicted of second-degree murder, with a prison term likely. Panicked, he flees and, in desperation, turns to Kelly Everson, the widow of an old friend who committed suicide following a similar tragedy. They discover that both incidents--and others as well--may not have been cases of physician error but rather deliberate murders. The villain, known to the reader early on, is finally uncovered by the duo, whose efforts are complicated by the unrelenting pursuit of Rhodes by a bounty hunter who has been hired by the bail bondsman who stands to lose a small fortune if the convict is not returned to custody. Through two-thirds of its length, this is a fast-paced, albeit improbable, story of the havoc that can be wreaked by a lone madman. Then a sudden twist brings in a new set of villains and reveals an evil conspiracy that snaps belief. Cook, whose medical thrillers invariably land on the bestseller lists, may be asking more credulity than many readers are willing, or able, to provide this time out. Literary Guild alternate.

About the Author

Robin Cook, M.D., is the author of more than thirty books and is credited with popularizing the medical thriller with his wildly successful first novel, *Coma*. He divides his time among Florida, New Hampshire, and Boston. His most recent novels include *Host*, *Cell*, and *Nano*.

Users Review

From reader reviews:

Gerald Conway:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a move, shopping, or went to the particular Mall. How about open or perhaps read a book titled Harmful Intent? Maybe it is to be best activity for you. You know beside you can spend your time using your favorite's book, you can better than before. Do you agree with its opinion or you have additional opinion?

Dan Flood:

Reading a guide can be one of a lot of activity that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new facts. When you read a e-book you will get new information because book is one of numerous ways to share the information as well as their idea. Second, studying a book will make a person more imaginative. When you examining a book especially fictional book the author will bring someone to imagine the story how the character types do it anything. Third, you could share your knowledge to other people. When you read this Harmful Intent, it is possible to tells your family, friends and soon about yours publication. Your knowledge can inspire average, make them reading a e-book.

Ella Carlson:

Spent a free time for you to be fun activity to perform! A lot of people spent their spare time with their family, or their own friends. Usually they performing activity like watching television, planning to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Might be reading a book could be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the reserve untitled Harmful Intent can be fine book to read. May be it may be best activity to you.

Phillip Elliott:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the best book for you, science, witty, novel, or whatever through searching from it. It is identified as of book Harmful Intent. You'll be able to your knowledge by it. Without making the printed book, it could possibly add your knowledge and make you happier to read. It is most crucial that, you must aware about publication. It can bring you from one destination to other place.
