Language Notes

Text: English (translation)

Original Language: German

From the Inside Flap

Heidegger's Introduction to Metaphysics is one of the most important works written by this towering figure in twentieth-century philosophy. It includes a powerful reinterpretation of Greek thought, a sweeping vision of Western history, and a glimpse of the reasons behind Heidegger's support of the Nazi Party in the 1930s. Heidegger tries to reawaken the "question of Being" by challenging some of the most enduring prejudices embedded in Western philosophy and in our everyday practices and language. Furthermore, he relates this question to the insights of Greek tragedy into the human condition and to the political and cultural crises of modernity. This new translation makes this work more accessible to students than ever before. It combines smoothness with accuracy and provides conventional translations of Greek passages that Heidegger translated unconventionally. There are also extensive notes, a German-English glossary, and an introduction that discusses the history of the text, its basic themes, and its place in Heidegger's oeuvre.

About the Author

Gregory Fried is assistant professor of philosophy and humanities at Boston University. Richard Polt is associate professor of philosophy at Xavier University, Cincinnati.

### **Users Review**

**From reader reviews:**

**Anna Wright:**

This Introduction to Metaphysics (Yale Nota Bene S) is great e-book for you because the content which is full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it facts accurately using great arrange word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having Introduction to Metaphysics (Yale Nota Bene S) in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world with ten or fifteen small right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. active do you still doubt this?
