From the Author

As soon as I added rocker Israel Caine, I knew I had to get Glory to the Grammys in Hollywood. But how would she fare on the red carpet? With her figure flaws? In Real Vampires Hate Their Thighs we meet Ian MacDonald, an ancient enemy of Jeremy Blade's, and a genius when it comes to drugs for vampires. Guess what? He has created a diet drug that can make Glory lose weight. Oh, yeah. But you don't think it comes without a high price, do you? And it's not just dollars and cents. Brace yourself, Glory's trip to Hollywood is a bumpy ride.

From the Inside Flap

Rocker Israel Caine and Glory are posing as an engaged couple. She goes along with it because she can't wait to attend the Grammys as his date and she is his vampire mentor, after all. But Hollywood is full of thin women who make Glory feel dumpy and unworthy. When she gets a chance to try a vampire diet drug, Glory jumps on it, even though the side effects are horrific. Add to that a reality show with contestants who are creating her dream dress, Project Runway style, and Glory's nights are full. But not too full to enjoy the scene with lover Jeremy Blade. Too bad he's mad at her for trying the drug. Is Glory being poisoned by the vampire who is also Jerry's ancient enemy? And what will she look like on that red carpet? This is one ending you won't see coming.
