Rough Around the Edges Meets Refined (Meet Your Match) (Volume 2) By Rachael Anderson

For Noah Mackie, life is finally back on track. He has a great support system, a promised promotion is on its way, and he's finally getting the hang of this single father thing. But when the job falls through and his neighbor's matchmaking efforts become more aggressive, Noah is in for yet another unwanted detour. With his career and two spirited daughters to worry about, he doesn't have time for dating—especially not someone like Cassie Ellis, his girls' beautiful and sophisticated dance instructor, who is about as open and approachable as a brick wall.

Rough around the Edges Meets Refined is about two people who think they know exactly what they want but who have no idea what they really need. It's about learning that people aren't always what they seem and that sometimes life's detours take you exactly where you need to go.
