### The Disenchantments By Nina LaCour

Colby and Bev have a long-standing pact: graduate, hit the road with Bev's band, and then spend the year wandering around Europe. But moments after the tour kicks off, Bev makes a shocking announcement: she's abandoning their plans - and Colby - to start college in the fall.

But the show must go on and The Disenchantments weave through the Pacific Northwest, playing in small towns and dingy venues, while roadie- Colby struggles to deal with Bev's already-growing distance and the most important question of all: what's next?

Morris Award–finalist Nina LaCour draws together the beauty and influences of music and art to brilliantly capture a group of friends on the brink of the rest of their lives.
