THE GREAT MIGRATION BEGINS: IMMIGRANTS TO NEW ENGLAND, 1620-1633: VOL. I: A - F + VOL. II: G - O + VOL. III: P - W. 3 vols. By Robert Charles Anderson

This classic three-volume set contains the most accurate, up-to-date information on more than 900 families who settled in New England between 1620 and 1633. Each individual or family entry includes (when known) their port or country of origin; the date and ship on which they arrived in New England; the earliest known record of the individual or family; their first residence and subsequent residences; return trips to their country of origin, whether temporary or permanent; and marriages, births, deaths, and other important family relationships. An essential reference for anyone researching their early New England connections.

Already a classic, this three-volume set contains the most accurate, up-to-date information on over 900 New England families! The information on each individual or family includes their port or country of origin, if known; the date and ship on which they arrived in New England, if known; the earliest known record of the individual or family; their first residence and subsequent residences, when known; return trips to their country of origin, whether temporary or permanent; and marriages, births, deaths, and other important family relationships. This project reflects immense scholarly resourcefulness and will be a tremendous source of helpful information for all those researching early New England families.
