The Islamic Threat : Myth or Reality? (Third Edition) By John L. Esposito

Are Islam and the West on a collision course? From the Ayatollah Khomeini to Saddam Hussein, the image of Islam as a militant, expansionist, and rabidly anti-American religion has gripped the minds of Western governments and media. But these perceptions, John L. Esposito writes, stem from a long history of mutual distrust, criticism, and condemnation, and are far too simplistic to help us understand one of the most important political issues of our time. In this new edition of *The Islamic Threat: Myth or Reality?*, Esposito places the challenge of Islam in critical perspective. Exploring the vitality of this religion as a global force and the history of its relations with the West, Esposito demonstrates the diversity of the Islamic resurgence--and the mistakes our analysts make in assuming a hostile, monolithic Islam. This third edition has been expanded to include new material on current affairs in Turkey, Afghanistan, Palestine, and Southeast Asia, as well as a discussion of international terrorism.

Editorial Review

Review

**Praise for previous editions:*

"Esposito has written that rarest, and most useful, of books: a consideration of 'Islamic Fundamentalism' by someone who knows what he's talking about."--*The Village Voice Literary Supplement*

"Offers a valuable history of the leading figures and movements in the 20th century Islamic revival, underlining the trend in recent years away from violence and toward parliamentary practices."--*The New York Times*

"One of America's foremost authorities and interpreters of Islam...offers an informed and reasoned discussion of Islam in politics."--*The Wall Street Journal*

"There is no superior voice explaining Muslims to us."--*Times Higher Education Supplement*

About the Author

John L. Esposito is at Georgetown University.

Users Review

From reader reviews:

Hannelore Evans:
