Gateway to Freedom: The Hidden History of the Underground Railroad By Eric Foner

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom.

More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom.

A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery.

To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood.

Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the

historical stage?and significant?the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

Editorial Review

Review

“Illuminating . . . an invaluable addition to our history.” (Kevin Baker - New York Times Book Review)

“Mandatory, and riveting, reading.” (Sam Roberts - New York Times)

“[A] detailed narrative . . . infused with the spirit of freedom.” (Bruce Watson - San Francisco Chronicle)

“Excellent . . . Mr. Foner, bringing to bear his well-honed research skills and his deep knowledge of slavery and race relations . . . vividly describes the key part that New York City played in the operations of the Underground Railroad . . . he merits high praise for contributing solid information and thoughtful analysis to the history of this shadowy, extensive network.” (David S. Reynolds - Wall Street Journal)

“Riveting . . . a visceral chronicle of defiance and sacrifice.” (Edward P. Jones - O Magazine)

“Bring[s] to bear the insights of a long and distinguished career writing about the Civil War and Reconstruction eras and a sharp sense of the ironies that involuntary servitude posed for a nation that proclaimed itself to be built on principles of liberty . . . highly readable.” (Michael D. Schaffer - Philadelphia Inquirer)

“A terrific and powerful story.” (Billy Heller - New York Post)

“Dramatic and compelling.” (David Hugh Smith - Christian Science Monitor)

“Suspense and drama on nearly every page. . . . The art of historical narrative at its very best.” (Jonah Raskin - Huffington Post)

“Eric Foner has won a place in the front rank of American historians with books that seem to vacuum up all available sources to produce bold new interpretations of the country’s reckoning with the big questions of slavery and freedom.” (Jennifer Schuessler - New York Times)

“Reminds us that history can be as stirring as the most gripping fiction.” (Wendy Smith - Los Angeles Times)

“Tells a story that will surprise most readers . . . Compelling.” (Adam Goodheart - The Atlantic)

“[Foner] carries the reader along, as if galloping through a valley of subterfuge and salvation that might also doom freedom at any time. Foner crucially delineates the profound challenge and existential risk that engulfed an interracial generation as the nation thundered toward dissolution, or Civil War.” (Kevin Lynch - Milwaukee Journal Sentinel)

“Compelling . . . by turns scholarly and gripping.” (Alexander Nazaryan - Newsweek)

About the Author

Eric Foner is the preeminent historian of his generation, highly respected by historians of every

stripe?whether they specialize in political history or social history. His books have won the top awards in the profession, and he has been president of both major history organizations: the American Historical Association and the Organization of American Historians. He has worked on every detail of Give Me Liberty!, which displays all of his trademark strengths as a scholar, teacher, and writer. A specialist on the Civil War/Reconstruction period, he regularly teaches the nineteenth-century survey at Columbia University, where he is DeWitt Clinton Professor of History. In 2011, Foner's The Fiery Trial: Abraham Lincoln and American Slavery won the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize.

Users Review
