Editorial Review

Review

Josey Wales is so fast he guns down three men facing him before one of them can clear leather. This wild yarn masquerades as a true story - but the hero, folks, is not even listed in J.R. Nash's encyclopedia Bloodletters and Badmen. Even so, dialogue and detail have the unshaven authenticity of a WANTED poster. Just before the Civil War, Josey's wife and son are burned to death in Missouri by pillagers. During the War, he is a guerrilla, raping and raiding indiscriminately, and by mid-novel he has killed 35 men and is being pursued for the 7500-dollar robbery of a Federal paymaster. Texas-bound, he falls in with Lone Watie, an elderly Cherokee, and an outcast Cheyenne woman, Little Moonlight. Singlehandedly killing a whole gang of Comancheros (guys who sell firewater and firearms to Comanches), he rescues a buxom miss and her grandmother and decides to set up housekeeping with them. When their little ranch-to-be is threatened by a huge Comanche war party, he rides out to meet the Indians. . .alone. . . . Almost in double-vision, as if one were watching a kung fu epic at the same time. Or Clint Eastwood, who's already bought this property, since impossible odds make great fun. --Kirkus Reviews

Users Review

From reader reviews:

Christopher Hunnicutt:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each guide has different aim or goal; it means that e-book has different type. Some people experience enjoy to spend their time to read a book.
