### Editorial Review

#### Review

There are few such autobiographies, especially in English, which makes Moon's memories of sleeping on village roads side by side with neighbors, of his mother waking at 4:30 a.m. to work in the mill and of the kindness of certain teachers particularly valuable.... (*Los Angeles Times*)

Omvedt's translation is true to the original Marathi. (Ravi Shenoy *Library Journal*)

This book is a welcome first step towards increasing our understanding of a much-neglected aspect of Indian life. (*Times Literary Supplement*)

Offer(s) an accessible glimpse of the life and times of one Dalit and the people he grew up with. (*Journal of Asian Studies*)

His [Moon's] autobiography, written in his native Marathi and translated into English, vividly describes life in an urban Indian slum and gives a glimpse of the internal politics that accompanied the independence movement. (*Pacific Reader*)

Vasant Moon's powerful memoir of youth in the slums of central India is by turns disturbing, entertaining, engrossing, and deeply inspiring. Moving beneath Moon's sharply etched tale of material deprivation, caste conflict, and neighborhood politics is the inexorable rise of Dalit (Untouchable) militancy and spirituality?illuminated by the towering figure of Dr. B. R. Ambedkar, champion of the poor and leader of the Buddhist revival in India. This book puts living flesh on the bones of recent Indian socialhistoriography. (Christopher Queen, Harvard University)

A powerful personal and collective memory of caste oppression and struggle in India from the 1930s to the 1950s. . . . Both as a historical and as a literary document, there is much to consider in this thought provoking and intensely moving memoir. (Shalini Ramachandran *Race & Class*)
