### Nobody's Fool (Vintage Contemporaries) By Richard Russo

This slyly funny, moving novel about a blue-collar town in upstate New York—and in the life of Sully, of one of its unluckiest citizens, who has been doing the wrong thing triumphantly for fifty years—is a classic American story.

Divorced from his own wife and carrying on halfheartedly with another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its uproarious humor and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool*, from Pulitzer Prize-winning author, Richard Russo, is storytelling at its most generous.

*Nobody's Fool* was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith.

## **Editorial Review**

From Publishers Weekly

Set in the economically desperate ex-resort town of North Bath, N.Y., Russo's novel displays his characteristic verbal panache and biting wit.

Copyright 1994 Reed Business Information, Inc.

From Library Journal

Sixty-year-old Sully is "nobody's fool," except maybe his own. Out of work (undeclared-income work is what he does, when he can), down to his last few bucks, hampered by an arthritic broken knee, Sully is worried that he's started on a run of bad luck. And he has. The banker son of his octogenarian landlady wants him evicted; Sully's estranged son comes home for Thanksgiving only to have his wife split; Sully's own high-strung ex-wife seems headed for a nervous breakdown; and his longtime lover is blaming him for her daughter's winding up in the hospital with a busted jaw. But Sully's biggest problem is the memory of his own abusive father, a ghost who haunts his every day. As he demonstrated in *Mohawk* (Random, 1986) and *The Risk Pool* (Random, 1989), Russo knows the small towns of upstate New York and the people who inhabit them; he writes with humor and compassion. A delight. Previewed in Prepub Alert, LJ 2/1/93.

Review

"A rude, comic, harsh, galloping story of four generations of small-town losers, the best literary portrait of the backwater burg since *Main Street*" -- Annie Proulx "Perhaps if it was pointed out that here was a US writer who stood somewhere between Anne Tyler at her darkest and Russell Banks, with an occasional hint of Richard Ford at his least bleak, perhaps Russo would become as widely read as he deserves to be" Irish Times "Nobody's Fool is big, funny and richly human, a garrulous book that buttonholes you in the first few pages and does not let you go... In Sully, Russo has created a character you cannot resist" Financial Times "Russo lifts a generous slice of middle America in all its flavours... Nobody's Fool is a great-hearted, unforgettable comedy in the best tradition of John Irving and Anne Tyler" Vogue "This is a novel of charm and wit, akin to the works of Alice Hoffman, Anne Tyler and Garrison Keillor" Time Out

## **Users Review**

**From reader reviews:**

**Curt Roepke:**

Have you spare time to get a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. **Jean Fair:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Nobody's Fool (Vintage Contemporaries) can make you really feel more interested to read.
