Pants on Fire By Meg Cabot

But she can't exactly tell the truth, either—not when she's juggling two boyfriends, secretly hating the high school football team everyone else worships, and trying to have the best summer ever. At least Katie has it all under control (sort of). Her biggest secret, what really happened the night *Tommy Sullivan is a freak* was spray-painted on the junior high gymnasium wall, is safe.

That is, until Tommy comes back to town. Katie is sure he's going to ruin all her plans, and she'll do anything to hang on to her perfect existence. Even if it means telling more lies. Even if, now that Tommy's around, she's actually—truthfully—having the time of her life.

Editorial Review

From [Booklist](#)

Katie Ellison is a big-time liar: she is running for the title of Quahog Princess, but she can't stand the clams her town is famous for, and she juggles two boyfriends. But the lie that weighs on her soul the most is the big secret that she is keeping about her former best friend, Tommy. To complicate matters, Tommy suddenly returns to town after a four-year absence that began after he spilled the beans about local football players who cheated on their SATs. Katie sorts through her attraction to multiple guys, including Tommy, who became all grown up and gorgeous while he was away. Lightweight and predictable, this is still an enjoyable read that's sure to be popular with Cabot's many fans. *Debbie Carton*

Luis Morales:

As we know that book is important thing to add our information for everything. By a e-book we can know everything we want. A book is a pair of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This publication *Pants on Fire* was filled regarding science. Spend your extra time to add your knowledge about your science competence. Some people has various feel when they reading some sort of book. If you know how big advantage of a book, you can experience enjoy to read a guide. In the modern era like now, many ways to get book which you wanted.

Lee Villegas:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this *Pants on Fire* can make you experience more interested to read.
