The Arab Spring: The End of Postcolonialism By Hamid Dabashi

This pioneering explanation of the Arab Spring will define a new era of thinking about the Middle East.

In this landmark book, Hamid Dabashi argues that the revolutionary uprisings that have engulfed multiple countries and political climates from Morocco to Iran and from Syria to Yemen, were driven by a 'Delayed Defiance' - a point of rebellion against domestic tyranny and globalized disempowerment alike - that signifies no less than the end of Postcolonialism. Sketching a new geography of liberation, Dabashi shows how the Arab Spring has altered the geopolitics of the region so radically that we must begin re-imagining the 'the Middle East'.

Ultimately, the 'permanent revolutionary mood' Dabashi brilliantly explains has the potential to liberate not only those societies already ignited, but many others through a universal geopolitics of hope.

Editorial Review

Review

"A refreshing, thoughtful and historical reading of the dramatic changes sweeping the Arab world." - Marwan Bishara, senior political analyst, *Al Jazeera*

"Dabashi provides a revolutionary, imaginative and open-ended reading of what will turn out to be a founding moment of the twenty-first century." - Fawwaz Traboulsi, author of *A History of Modern Lebanon*

"This illuminating and beautifully written book, by a brave intellectual and a brilliant scholar who knows the terrain like the back of his hand, traces the genealogy of this unique moment and offers a bird's eye view of the horizons it promises." - Sinan Antoon, poet and novelist

"*The Arab Spring* is enormously enlightening and original, a landmark work of a political and historical convulsion of immense proportion and significance. The book is so rich, careful and systematic in making its case that I expect it to define a new paradigm regarding the nature of revolution itself." - Alamin Mazrui, Rutgers University

"Embracing the poetic justice of the Arab Spring, Hamid Dabashi seizes upon and expresses the lyrical. He recounts philosophically an open-ended non-linear story, which is still in the making." - Elia Suleiman, filmmaker

"The depth and richness of Dabashi's perspective contrasts with the barrenness of the modernization paradigm dominant in the West's academy and media as much as in liberal, nationalist and socialist Arab accounts. It offers a fresh look at some deeper resources of Arab societies and cultures." - Haifa Zangana, writer and activist

About the Author

Hamid Dabashi is the Hagop Kevorkian Professor of Iranian Studies and Comparative Literature at Columbia University.

Users Review

From reader reviews:

Christopher Patton:

As people who live in often the modest era should be up-date about what going on or information even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to you actually is you don't know what kind you should start with. This *The Arab Spring: The End of Postcolonialism* is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Megan Snyder:

You are able to spend your free time to see this book this book. This The Arab Spring: The End of Postcolonialism is simple to bring you can read it in the playground, in the beach, train and also soon. If you did not have much space to bring typically the printed book, you can buy the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Larry Hudgens:

That publication can make you to feel relax. This book The Arab Spring: The End of Postcolonialism was multi-colored and of course has pictures around. As we know that book The Arab Spring: The End of Postcolonialism has many kinds or category. Start from kids until young adults. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you and try to like reading that will.

Candice Foushee:

What is your hobby? Have you heard that question when you got learners? We believe that that problem was given by teacher on their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person just like reading or as reading become their hobby. You must know that reading is very important along with book as to be the thing. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You find good news or update about something by book. A substantial number of sorts of books that can you go onto be your object. One of them are these claims The Arab Spring: The End of Postcolonialism.
