Editorial Review

Amazon.com Review

The Kama Sutra, a compendium of Indian erotic knowledge collected in the 1st century, has long been viewed as a book not only of sexual technique but also of the art of love and life. In *The Gay Kama Sutra* Colin Spencer has attempted to bring the life-affirming erotic world view of the original (along with some of its more complicated techniques) to his discussion of contemporary gay male life. While the book celebrates gay male sexual love, it also discusses AIDS, relationships, homophobia, transvestism, gender, and politics. Its unabashedly pro-gay stance and ability to convey sexual information in explicit but nonclinical terms makes *The Gay Kama Sutra* an informative and useful guide.

Users Review

From reader reviews:

Loren Velasco:

The book *The Gay Kama Sutra* can give more knowledge and information about everything you want. Exactly why must we leave a good thing like a book *The Gay Kama Sutra*? A number of you have a different opinion about reserve. But one aim in which book can give many details for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or details that you take for that, you are able to give for each other; it is possible to share all of these. Book *The Gay Kama Sutra* has simple shape however you know: it has great and large function for you. You can seem the enormous world by open and read a publication. So it is very wonderful.

Rene Defeo:

Reading a reserve can be one of a lot of activity that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new details. When you read a e-book you will get new information mainly because book is one of many ways to share the information or perhaps their idea. Second, reading a book will make anyone more imaginative. When you looking at a book especially fictional book the author will bring one to imagine the story how the figures do it anything. Third, you are able to share your knowledge to other individuals. When you read this *The Gay Kama Sutra*, you could tells your family, friends as well as soon about yours guide. Your knowledge can inspire average, make them reading a book.

George Williams:

It is possible to spend your free time you just read this book this publication. This *The Gay Kama Sutra* is simple to develop you can read it in the area, in the beach, train and soon. If you did not get much space to bring the actual printed book, you can buy the particular e-book. It is make you better to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Rachel Cady:

Reading a book make you to get more knowledge as a result. You can take knowledge and information from your book. Book is composed or printed or outlined from each source this filled update of news. On this modern era like now, many ways to get information are available for an individual. From media social like newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just looking for the The Gay Kama Sutra when you required it?
