The Oxford Illustrated History of Modern China From *imusti*

This lavishly illustrated volume explores the history of China during a period of dramatic shifts and surprising transformations, from the founding of the Qing Dynasty (1644-1912) through to the present day.

The Oxford Illustrated History of Modern China promises to be essential reading for anyone who wants to understand this rising superpower on the verge of what promises to be the 'Chinese century,' introducing readers to important but often overlooked events in China's past, such as the bloody Taiping Civil War (1850-1864), which had a death toll far higher than the roughly contemporaneous American Civil War. It also helps readers see more familiar landmarks in Chinese history in new ways, such as the Opium War (1839-1842), the Boxer Uprising of 1900, the rise to power of the Chinese Communist Party in 1949, and the Tiananmen protests and Beijing Massacre of 1989.

This is one of the first major efforts - and in many ways the most ambitious to date - to come to terms with the broad sweep of modern Chinese history, taking readers from the origins of modern China right up through the dramatic events of the last few years (the Beijing Games, the financial crisis, and China's rise to global economic pre-eminence) which have so fundamentally altered Western views of China and China's place in the world.

Editorial Review

Review

"The best place to start for those who wish to get a handle on modern China." - *Asian Review*

About the Author

Jeffrey Wasserstrom is Chancellor's Professor of History at the University of California, Irvine, and Editor of the *Journal of Asian Studies*. He has edited a number of books on China and is the author of four: *Student Protests in Twentieth Century China: The View from Shanghai* (1991), *China's Brave New World-And Other Tales for Global Times* (2007), *Global Shanghai, 1850-2010* (2009), and *China in the 21st Century: What Everyone Needs to Know* (2010; new ed. 2013). A co-founder of and contributing editor to the influential *China Beat* blog (2008-2012), he is a regular contributor to the press, including the *New York Times* and *Wall Street Journal*, and he co-edits the Asia section of the *Los Angeles Review of Books*. A member of the Board of Directors of the National Committee on U.S.-China Relations, he has been traveling to China regularly since the 1980s.

Users Review

From reader reviews:

Rene Defeo:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a expertise or any news even a huge concern. What people must be consider whenever those information which is in the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take The Oxford Illustrated History of Modern China as the daily resource information.

Conrad Degregorio:

A lot of people always spent their own free time to vacation or even go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, or playing video games all day long. If you want to try to find a new activity that is look different you can read any book. It is really fun in your case. If you enjoy the book you read you can spent the entire day to reading a publication. The book The Oxford Illustrated History of Modern China it is rather good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. If you did not have enough space to bring this book you can buy typically the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too expensive but this book features high quality.

Carrie Mathis:

Your reading 6th sense will not betray you actually, why because this The Oxford Illustrated History of Modern China book written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still skepticism The Oxford Illustrated History of Modern China as good book but not only by the cover but also with the content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing another sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to an additional sixth sense.

Clifford Caldwell:

Many people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half regions of the book. You can choose often the book The Oxford Illustrated History of Modern China to make your reading is interesting. Your own personal skill of reading skill is developing when you like reading. Try to choose easy book to make you enjoy to study it and mingle the opinion about book and examining especially. It is to be initially opinion for you to like to open up a book and study it. Beside that the book The Oxford Illustrated History of Modern China can to be your friend when you're really feel alone and confuse in what must you're doing of this time.
