Bletchley Park: The Secret Archives By Sinclair McKay, Bletchley Park

This is beautifully slipcased & presented collector's edition of the best selling title, *The Lost World of Bletchley Park*, a comprehensive illustrated history of this remarkable place, from its prewar heyday as a country estate, its wartime requisition and how it became the place where modern computing was invented and the German Enigma code was cracked, to its post-war dereliction and then rescue towards the end of the twentieth century as a museum.

Removable memorabilia includes:

- 1938 recruiting memo with a big tick against Turing's name
- Churchill's 'Action this day' letter giving code breakers extra resources
- Handwritten Turing memos
- Top Secret Enigma decryptions, about the sinking of the Bismark, German High Command's assessment of D-Day threat and the message announcing Hitler's suicide
- A wealth of everyday items such as call-up papers, security notices and propaganda posters

Newly redesigned interiors with 25% new content, high end slipcase package featuring removable facsimile documents, this is an essential purchase for everyone interested and wanting to experience the place where code-breaking helped to win the war.
