About the Author

Michelle Paver was born in central Africa, but moved to England as a child. After earning a degree in biochemistry from Oxford University, she became a partner in a London law firm, but eventually gave that up to write full-time.

Chronicles of Ancient Darkness arises from her lifelong passions for animals, anthropology, and the distant past. It was also inspired by her travels in Norway, Lapland, Iceland, and the Carpathian Mountains—and particularly by an encounter with a large bear in a remote valley in Southern California.
