**Evidence for the Bible** By Clive Anderson, Brian Edwards

This beautifully produced book with over 200 full colour images, reveals some of the many discoveries that either authenticate or illustrate the biblical narrative. The text is accurate, informative & assumes no prior knowledge of the world of archaeology. It follows the biblical record from Genesis to Revelation. Timelines of the Ancient Near East empires, articles on specific thorny issues such as the Pharaoh of the Exodus & the census of Quirinius, an assessment of fallacies in the world of biblical archaeology & a detailed bibliography, all add to the value of this unique volume.

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Amanda Haskin:**

What do you think about book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has different personality and hobby for every single other. Don't to be pressured someone or something that they don't need do that. You must know how great and also important the book Evidence for the Bible. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

##### **Gary Farrell:**

This Evidence for the Bible are reliable for you who want to be considered a successful person, why. The explanation of this Evidence for the Bible can be one of several great books you must have will be giving you more than just simple reading through food but feed an individual with information that possibly will shock your previous knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions in e-book and printed kinds. Beside that this Evidence for the Bible forcing you to have an enormous of experience such as rich vocabulary, giving you trial run of critical thinking that could it useful in your day pastime. So , let's have it and enjoy reading.

##### **Lanell Sessions:**

This Evidence for the Bible is great publication for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Evidence for the Bible in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world inside ten or fifteen small right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

##### **Phillis Ries:**

What is your hobby? Have you heard that question when you got college students? We believe that that problem was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person such as reading or as examining become their hobby. You need to know that

reading is very important and also book as to be the issue. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You find good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them is actually Evidence for the Bible.
