### **Editorial Review**

#### **Review**

"Jason Butler is one of the very few financial planners who truly understands the process of managing wealth and I'm pleased that he has shared his wisdom in this book."

*Matthew Vincent, Personal Finance Editor, Financial Times*

#### **From the Back Cover**

"This is a brilliantly lucid guide to the complex world of wealth management. I am confident it will become a classic."

*William Kay, Wealth Matters columnist, The Sunday Times*

"Well researched and intelligently set out, this guide provides an excellent route map and explains the essential components of financial planning and wealth management from one of the UK's leading Financial Planners."

*Nick Cann CFP Chief Executive Institute of Financial Planning*

"This book is an essential read if you are to have the faintest chance of understanding how your pension, savings and any other assets can be protected and managed. Simple, straightforward [and] jargon-free...what more could anyone who's struggling with how to manage their money want?"

*Robin, Ellison, Former Chairman, The National Association of Pension Funds and visiting professor in pensions law, Cass Business School*

The *Financial Times Guide to Wealth Management* is your definitive introduction to getting the most out of your finances. In this succinct and accessible guide, Jason Butler draws on over 20 years' experience of advising successful people on how best to manage their wealth in order to bring you the key ingredients of financial success. Whether you want to do it yourself, or get an overview of the basics so you can understand the experts, this book gives you the answers. Discover how to:

- Figure out your personal goals and 'financial personality'
- Strategically plan so you make good decisions and avoid bad ones
- Navigate the maze of investment options to choose the best ones for your needs
- Avoid the problems of managing personal wealth, including high taxes, low interest rates and barriers to wealth succession
- Understand the role insurance, tax planning, later life planning and pensions can play

### **Users Review**
