How To Live and Not Die! A Down-to-earth guide for getting rid of problem areas in your life by putting God's power to work for you. God doesn't want you to be sick...or to have any financial, emotional, social, spiritual or physical problem. But you've got to learn to do things His way! * After you worship and praise God, you have the right to ask Him for any- thing. * If you'll make up your mind, once and for all, that the life is in the Word of God, you won't have to suffer any longer. * Your body doesn't care what God tells you. It will rise up and demand what it's craving. You have to tell your body to obey God's Word! * Your faith can work for your children and for your spouse. * Many good Christians have died before their time. They believed in God and loved Him, but they didn't believe God scripturally. * If you have the Word of God in your heart and if you know how to say what God says in His Word, God will send you on a mission to do things for Him to cause people to live and not die.

Good Things Come From God to You

You can receive miracles, and you can have authority over sickness and disease. Know this once and for all: all bad things that come to visit you are from the devil—all bad things! They come from hell—not from heaven.

The Bible says all good things come down from the Father of lights to you.

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom

is no variableness, neither shadow of turning. James 1:17

That means God sends good and perfect gifts from heaven down to you. Not one heartache has ever come from God. Not one weak day or one defeated moment has ever come to you from heaven. God knows no defeat or sickness. Heaven knows no pain.

I've been to heaven twice, and I can hardly wait to get there for the last time and forever. The air is full of peace. There is no sickness in heaven. There are no worms in the apples in heaven. The grass is about ten times greener there than it is on earth. You think you've got beautiful flowers here? I've got news for you—in heaven, those beautiful flowers never die. There are no seasons in heaven—no dying, shivering, or suffering. There is only life.

Everything in heaven is alive. Everything is full of life, power, and love. It saturates you all the time. Heaven is not a misty place out in the air, where a bunch of little spirits float around wondering who they are. It's a real world!

When you walk around heaven, you can see rivers, gulfs, trees, and mansions. And you can walk in on Sunday morning and hear Jesus preach! You think you're hearing good messages now, just wait until you get to heaven. Glory to God!

But right now I'm excited about the good things from heaven that we can enjoy in this life. Good gifts, perfect gifts are coming down from heaven, from the Father of lights to you.
